Please visit the Firm's website at [www.greenhill.com](http://www.greenhill.com) for additional information.

Greenhill is an equal opportunity employer.

### Title

2018 Investment Banking Summer Analyst

### Job Description

The Summer Analyst position at Greenhill offers qualified candidates exposure to all aspects of global mergers and acquisitions and corporate restructuring. Due to the size of the Firm, a Summer Analyst position at Greenhill provides outstanding experience and unparalleled exposure to its senior professionals. Analyst responsibilities include valuing companies using a variety of methodologies, preparing and delivering presentations, conducting research, drafting selling memoranda, analyzing business models and participating in due diligence and client meetings.

We are interviewing candidates for our U.S. offices. In addition to your resume, please submit a cover letter and indicate your location(s) of interest in the cover letter.

### Required Skills

Qualified candidates for a Summer Analyst position at Greenhill must exhibit a strong history of exceptional academic achievement in conjunction with a mix of strong interpersonal and analytical skills. Candidates should also have excellent organizational and time management skills as well as demonstrable leadership qualities outside of the classroom. Individuals selected must thrive while working in a team environment. Candidates must also be highly self-motivated and exhibit a strong desire to learn. Personal integrity, self-discipline, confidence and strong communications skills are essential for individuals to excel in Greenhill's entrepreneurial environment.

Permanent U.S. work authorization is required.
